VOLUNTEER POLICY

Each family with a player in the Pre-Select or Select programs is asked to volunteer 5 hours per year for their child. Additional children playing Pre-Select or Select do not increase the upfront $100.00 fee, but the overall volunteer time is increased to 8 hours per family. Upon completion of the volunteer hours, families may be eligible for reimbursement of the $100.00 fee*. Families have the option to apply the money to their player account, or donate it to our Scholarship Fund. Families that do not complete volunteer hours will forfeit the volunteer fee to the Black Hills Rapids Soccer Club.

Upon completion of volunteer hours, the family is responsible for completing and submitting this form to the Black Hills Rapids Soccer Club.

**If a player's account has a negative balance upon completion of the volunteer hours, the fee will be applied to the account.*
