*The 15'x15' space will be provided. Please bring any tables, chairs and/or tent needed. Spaces will be reserved based on the time/date of the vendor registration form submission to email (we only have 40 spaces available). Power is limited. If you require power – this must be pre-approved prior to your arrival. Please email your completed form to Tina White at [twelchwhite@icloud.com](mailto:twelchwhite@icloud.com). If you submit a registration form reserving attendance and fail to show up – you may not be able to reserve future booths. No vehicles will be allowed to be moved in the vendor area after 5pm. If you choose to park in your booth area – you will not be allowed to move your vehicle out until 10pm (as we must wait for the crowd to clear for safety). You can park in the parking lot and leave as you wish.*
