

## **Team Sponsorship Information**

Your team can have a sponsor to help cover the costs of items such as name printing on jerseys, team parties, custom apparel, trophies and other expenses associated with the team. There are two forms of sponsorship:

### **Monetary Only**

This is where an individual or business can choose to sponsor your team in the form of a monetary donation. All funds received go into the team account and must be used in full by the end of the season. Any unused funds are turned over to the association when accounts are closed and are not refundable.

### **Banner Sponsorship**

Banners can be purchased through DAA for display in the park. This type of sponsorship helps businesses achieve growth and demonstrates their support of our community. Banner sponsorships are for 1 year (two consecutive seasons). Due to county regulation, we cannot leave banners up over the winter so the actual display time is 9 months when our fields are in use. Banners weather quickly and while they may appear in good condition from a distance, the grommets often don't last more than a year. All banner renewals require inspection and approval by the league.

The cost of the banner is deducted from the received amount and the remaining proceeds go directly to your team to be used in full by the end of the season. Any unused funds are turned over to the association when accounts are closed and are not refundable.

Artwork must be reviewed by DAA and should be turned in with your sponsorship form either in print or electronic format. Once approved, the business will work directly with our vendor. For aesthetic and compliance reasons, DAA does not allow banners from any other vendor.

P.O. Box 834, Dacula, GA 30019

**Thank you for your support. Youth athletics is a vital part of our community and your contribution will help support our organization's goal of providing a safe and fun environment to our local children!**
