## All-Star Policy

DAA Basketball will occasionally enter teams into local all-star tournaments. The DAA Basketball “All-Star Policy” only pertains to the all-star player and all-star coaches’ selection process. Individual tournament specific rules will be published separately and available on, [www.dacula.com](http://www.dacula.com). Please read those documents for more information.

### Player Eligibility

Any player that is in good financial standing with DAA sports and has participated in the current DAA basketball season is eligible to be nominated for all-stars.

Players or coaches currently suspended under DAA Code of Conduct violations are not eligible to participate.

Players must submit a copy of their birth certificates and parental permission slip for the certification process.

Players must attend all practices and games. This is mandatory and not optional.

### Player Selection

Coaches will be asked to submit the names of the players from their team for consideration for all-stars to the age specific League Director(s). The coach must submit information about each player such as positions played during the regular season.

It is important that each coach submit position information. Many times the 5 best players in a league may be a point guard or a center. Basketball all-stars cannot realistically field a team of 5 guards or 5 centers. Positions are considered when selecting each team.

All-star tryouts/evaluations are required by age group. Nominated players will be invited to an evaluation date for players that will be published one (1) week prior to the evaluations where they may be evaluated performing drills and/or scrimmaging against other candidates. Any coach that wants to attend and observe the evaluation process is encouraged to do so. The all-star coaches will then have final determination of the players that best fill the roles of guard, forward and center for a basketball team.

Players should wear their game jersey to the evaluations.

When rosters are complete, the coach must take his roster, parental permission slips and birth certificates with him when he/she attends the certification process.

### Selection of Coaches

Coach selection for each age group is the responsibility of the League Director(s) assigned to each specific age group.

The League Director may consider the all-star coaching position(s) based on coaches' coaching ability and performance during the regular season as well as code of conduct during the regular season. Violation of DAA basketball rules or any unlike sportsmanship conduct will result in disqualification from this consideration.

The League Director will take into consideration "the best interest of DAA Basketball" when selecting coaches to represent our league during all-stars.

"The Best Interest of DAA Basketball" – As a member of the DAA Basketball League, coaches and players are expected and required to act in the best interest of the league, as well as the children and young adults playing at DAA. Coaches should provide positive support to the league and its players. League business will be conducted in a professional and ethical manner. We are here for a common goal: mentoring our youth and promoting and teaching basketball. This program is for boys & girls with their safety and welfare being the main concern of DAA. All coaches must conduct themselves in a sportsmanlike manner at all times when they are in the presence of the boys & girls in the program. To insure the success of the program, if the League Director feels that any particular coach regardless of record) best represents these qualities to lead our youth all- star team(s) and represent DAA; the League Director may make his selection based upon his observations throughout the regular season.
