

DAA League Conduct Statement of Policy

It is the policy of Dacula Athletic Association (DAA) to promote the development of strong character, a right attitude and a sense of responsibility and citizenship in youngsters. It is the purpose of Dacula Athletic Association to achieve this goal through fair play and good sportsmanship with adult leaders providing the example. It is strictly against the policy of Dacula Athletic Association for any person, either as a participant, coach or a spectator to engage in arguments, to use abusive language, to harass or make any threatening gestures towards referees, coaches, players or league officials or to exhibit any behavior not in concert with the general intention of this policy statement. Failure to abide by this policy will result in removal from the gym. Any further incidents may result in permanent suspension from DAA. Any players caught fighting or found consuming any controlled substance will be suspended from league play for an amount of time to be determined by the respective Sports Committee.

In any program, the success of such a program is the responsibility of all the participants including referees, players, coaches, league officials, program supporters and parents. Please keep in mind the sole purpose for this league is for the teaching, participation and enjoyment of the game of basketball. To accomplish this goal, it is imperative for all involved to encourage and compliment the players (on both teams) at every opportunity. Our children will mimic our actions as adults and setting a good example is of the utmost importance. Any disagreements to decisions, policies and interpretations, set forth in this handbook will be handled through the DAA Basketball Board with the support of the DAA Executive Committee.
