

Dear Business Owner:

We are writing to you on behalf of the Idaho Impact Volleyball Club. We are a member of the Evergreen Regional Volleyball Association, which includes Central and Eastern Washington, North Idaho and Western Montana. Our purpose is to provide players that range from 8 to 18 years of age from area schools a positive environment to continue to improve their volleyball skills. Young women who play sports learn teamwork and goal-setting skills. They do better in school, they are more likely to graduate, and they feel better about themselves both physically and socially.

The girls in our club pay dues that cover gym rental for practices, equipment purchases, jerseys, and tournament fees. It is our goal to keep the costs low for our players so that the expense is not an obstacle. We are hoping we can count on your support in sponsoring our team for this season. Sponsorship amounts in excess of \$100 will give you opportunities to market your company on our website, or you could choose an amount that works best for your company. Any donation would be greatly appreciated.

Idaho Impact Volleyball Club is a non-profit organization under Section 501(c)(3) of the Internal Revenue Code. Contributions to the club are tax deductible to the fullest extent provided by law. Please consult with your tax advisor to determine the tax consequences of your donation.

Thank you for your consideration. Idaho Impact looks forward to hearing from you and hope you'll consider supporting these wonderful young ladies. If you have any questions, please contact us at idahoiimpactvb@gmail.com.
