## A message from

## Coach Boyce

I believe Perrysburg Basketball has become one of the top high school programs in Northwest Ohio. I also believe we have many outstanding young players who want to be part of the program. I look forward to working with each of you.

Our camps will be structured to build from the very basic skills in the 1-4 camps; to more complex skills in the grades 5-6 camp; to a practice like setting for grades 7-8-9. More team concepts will be introduced as the players advance, while the younger players will learn more about the rules and set-up of the game.

We will teach shooting form, ball handling, and passing, team play, rebounding techniques, defensive basics, and full-court play. Each of these fundamentals will be drilled daily and coached for reinforcement.

Perhaps, as important, we will teach and stress proper court attitude - respecting referees, being a team player, handling missed shots and being a good winner.

Each camper will get a chance to play a lot of basketball, learn about this great game and have lots of fun!!!

Boyce's teams at Perrysburg are winning at an 75% pace, have been ranked as high as #3 and #6 in the state of Ohio AP poll over the past few years. Over the past 25 years at Westland and Perrysburg, Boyce's teams have won over 70% of their games including final rankings as high as #3, #5 and #7 in the state of Ohio AP poll. He has also led each school to their first ever Division 1 district championship. He has coached three Division I players and seven 1000 point scorers and 4 all-state players

Coach Boyce 's goal is to lead the Yellow Jacket program into area and state prominence while developing young men to reach their potential as athletes and people.
