

About the Camp:

Michigan Rush Summer Soccer Camp is structured to give players an opportunity to improve their technical and tactical abilities in training and match situations. Players from within the club will be grouped with their team for the 2018 – 2019 seasons. Players from outside the club will be grouped according to ability, experience, maturity, and competitive spirit. We ensure an excellent environment for quality team and individual instruction.

Who Should Attend?

Camp participants are expected to come equipped with enthusiasm to learn technical skills, tactical decision making, and to enjoy the competition of playing soccer. All Rush U7-U19 boys and girls are expected to attend camp. The camp will aim to prepare teams for the up-coming fall season, as well as develop the individual skill and awareness of each player.

Equipment:

Players should bring the necessary practice gear; including a soccer ball, soccer shoes, water, rain gear, and sunscreen. Shin guards are required for all sessions. All campers will receive a camp T-shirt.
