

TOPSoccer

TOPSoccer (The Outreach Program for Soccer) is a community-based training and team placement program for young athletes with disabilities, organized by youth soccer association volunteers.

The program is designed to bring the opportunity of learning and playing soccer to any boy or girl, who has a mental or physical disability. Our goal is to enable the thousands of young athletes with disabilities to become valued and successful members of the US Youth Soccer family.

Participants will be paired with a volunteer Buddy. Groups will be formed based on ability, not age. Each session will include fun ball activities and skills followed by small sided games.

The TOPSoccer sessions will be run by CFC and YMCA coaches and assisted by volunteer Buddies.

PROGRAM GOALS: ▪ Have Fun ▪ Build Self-Esteem ▪ Improve Physical Fitness ▪ Improve Social Skills ▪ Build Friendships ▪ Learning how to Play Soccer ▪ Learning about Good Sportsmanship
