

Join the Wolves Elite Summer Program to:

- 1 - Stay sharp and improve your skills.
- 2 - Get a different coaching perspective to help further develop your child
- 3 - Get summer long training and quality matches for less than the price of a 4-day overnight camp filled with unrealistic hours and incredible strain on the body.
- 4 - Be identified by Wolves Youth Academy staff. This gives players a chance to be recognized and invited to the Wolves National ID Camp or to England to train at a Premier League Academy. Players are seen in their natural competitive environment as opposed to the traditional tryout format.
