

OXFORD LITTLE LEAGUE NOTICE FOR PARENTS

OLL will be offering a fall ball program for players currently in the Minor through Junior League divisions (ages 6-14). Graduating 12 year old players will be teamed with the current Junior Division players (this year's 13 and 14 year olds) on the 90' diamond. Fall ball is intended as an instructional period for all players and is a perfect opportunity to develop new skills and get prepared for the next level in their Little League career. The season will run from September through the end of October. Some levels will have the opportunity to play teams from other District 5 towns. The entrance fee will be \$30. OLL is looking for current managers and/or coaches to run these teams and is looking for people interested in volunteering to umpire.

Please detach and fill out the section below. Checks are to be made payable to: Oxford Little League.
