Please check your schedule carefully and contact the League office at (412) 921-7181 regarding any errors.

**A copy of this schedule must be given to your coach.**

**Coaches are advised that the PIAA By-Laws Article XIV, Section 3 requires that the head coach attend a minimum of one PIAA mandatory rules interpretation prior to each season. Mandatory rules meeting dates and times are available on the PIAA website: [www.piaa.org](http://www.piaa.org)**

The WPIAL swimming program will be operated during the 2020 - 2021 school year on a double dual meet basis for all section meets. Meet scoring must be consistent for the entire season. The boys and girls swimming teams will swim at the same time at the same pool. In a few cases where a school does not field a boys' team or a girls' team, the meet will be a single dual meet.

A. **THE FOLLOWING INFORMATION IS PERTINENT TO THE CONDUCT OF A SUCCESSFUL SEASON**

1. **The National Federation Swimming and Diving Rule Book in conjunction with the PIAA mandates will govern all meets, and National Federation scoring will be in effect. Host schools are to send a letter to visiting schools defining meet start time, warm up time and procedure as well as noting any special procedures or limitations at the host facility before Friday, December 4, 2020.**
  - a. Host schools must establish and adhere to a consistent scoring system for all meets.
  - b. If the host school facility does not allow diving and an alternate site is to be used, that meet procedure must be consistent for all home meets.
  - c. The host school must note if Non-Team Swimmers or Divers will be performing.
  - d. All information should be made known to the visiting schools no less than two weeks prior to the scheduled competition. Written notification by school administration demonstrates mutual consent.
  - e. **Host schools must be equipped to run Meet Manager in conjunction with Team Manager, otherwise arrangements must be made with Visiting school to ensure proper recording and reporting of results.**
2. Section champions will be determined by the best won/lost record in section play. In the case of a tie in section record for first place, all tied teams will receive a plaque.
3. It is recommended that afternoon contests do not start before 3:30 PM unless the competing school principals agree. Make sure the officials know the meet start time. All section meets must be completed and dates may not be changed unless it is mutually agreeable by the principals of both schools.
4. It is recommended that each dual meet should have three (3) registered PIAA officials. Athletic Directors should not hire officials who are related to participants or coaches.
5. Senior Recognition Events shall be limited to fifteen (15) minutes.
6. Protests based on play situations or official's decisions involving interpretation or judgment is not permitted.
7. The Host school should print 2 copies of the official results (all names, times/scores, places and team scoring) for both Swimming and Diving). These printed copies shall be signed by the Meet Referee and retained by each school. Host schools should also provide a complete MM meet backup and TM results files to the Visiting school before the Visiting school leaves, but no later than **48** hours after the conclusion of the meet.

**B. WPIAL SWIMMING AND DIVING CHAMPIONSHIP QUALIFYING STANDARDS**

1. ALL SCHOOLS WISHING TO ENTER INDIVIDUAL SWIMMING AND DIVING OR RELAY QUALIFIERS INTO THE WPIAL CHAMPIONSHIP MEET ARE REQUIRED TO ADHERE TO THE MEET ENTRY PROCEDURES DEFINED IN THE ENTRY PROCEDURES ADDENDUM ATTACHED TO THIS SCHEDULE.
2. Teams ~~must complete a minimum of ten (10) and~~ can complete a maximum of eighteen (18) competitions (this includes all last-ditch qualifier meets) prior to the established deadline (#6 below), to be eligible to score team points at the WPIAL or PIAA Championships. As a reminder, last chance meets count against your meet totals.
3. Please be advised that Double Dual Meets - where 3 teams and 3 scores are kept - count as 2 meets for each team. All other meets with 4 or more teams count as 1 meet.
4. Individuals must have been in uniform and available at 75% of the team contests to be eligible for post-season competition. (Please reference PIAA By-Law Article IX, Section 5.)
5. **To automatically qualify for the WPIAL Swimming Championship, a swimmer must achieve the automatic qualifying standard as established by the WPIAL as outlined below. This time must be met in a WPIAL dual or invitational qualifying meet that is scored, follows consistent entry procedures, uses electronic timing with back-up and is observed and verified by a registered PIAA official. Relay qualifying standards must be achieved as a relay. Heats for championship races will be expanded as far as facility limits will allow, and the committee deems appropriate, with the next fastest times after the automatic times have been included.**
6. All invitational-qualifying meets must be scheduled and completed no later than Saturday, February 20, 2021. **Schools can schedule meets after February 20, 2021, but times achieved will not count towards qualifying for the WPIAL Championship meet.**
7. The time submitted for WPIAL entry may not be a deck time, practice time, time trial time, aggregate or composite time. The time must have been achieved and reported according to the Entry Procedures Addendum included at the end of this document.
8. **Non-team schools** – Swimmers from schools that do not sponsor a team must swim for “time” in their event/events during a regularly scheduled interscholastic meet being conducted by other member schools.
  - a. Please reference A. 1, c. d. on page 1
  - b. Limited to one competitor per event including diving; no relay entries permitted
  - c. The Meet Referee will determine when the Non-Team Athlete competes. The “timing” of the swimmer may occur during an official event, in between events or after the meet.
  - d. The host school will determine as to whether the swimmer competes during an event or not. The **ONLY** time a separate heat is permitted is for non-team swimmers.
  - e. Divers competing in additional meets will count towards the total swimming and/or diving competitions for their school not to exceed 18.

## WPIAL DIVING

9. To qualify for the WPIAL Diving Championship, the minimum standards established by the WPIAL enclosed in this schedule must be met in a WPIAL dual or invitational qualifying meet that is scored, follows consistent entry procedures and is observed and verified by a registered PIAA official.
  - a) Divers can qualify with the standard 6-dive list that is conducted in a Dual Meet or with an 11-dive list that they might participate in an Invitational Meet. All requirements as to submitting proof of the Dive Sheet for a 6-dive sheet are also required of a qualifying 11-dive list.
  - b) The WPIAL qualifying diving sheet, documenting the score and the degree of difficulty, must be filled out in its entirety, signed by the Meet Referee and submitted with the entry form to the WPIAL. The qualifying sheet must have the minimum degree of difficulty (not including the voluntary dive) and a minimum total score at the bottom (that includes the voluntary dive). If you are turning in a computer-generated qualifying sheet, it is not necessary to have the diver and coach's signature at the bottom. However, it does need to have the PIAA official's signature somewhere on the sheet.
  - c) It is required that every diver planning to participate in the WPIAL Diving championships prove that they can successfully complete dives from every category – front, back, reverse, inward and twist. If the WPIAL qualifying sheet (with the required minimum degree of difficulty and score) submitted does not represent all five categories of dives, then you must send in another diving sheet, signed by a registered PIAA Official, that lists the missing diving category. If a second diving sheet is required to prove that the diver has successfully completed all five categories of dives, then that second sheet does NOT need to have a qualifying degree of difficulty or score. If two diving sheets are required to prove that all five categories have been successfully completed, only one sheet needs to be an actual qualifying sheet. The definition of “successfully completed” means the diver received a score from ½ to 10.
10. **Non-team schools** – Divers from schools that do not sponsor a team must dive for a score during a regularly scheduled interscholastic meet being conducted by other member schools.
  - a) Please reference A. 1, c. d. on page 1
  - b) Limited to one competitor per event including diving
  - c) The Meet Referee will determine when the Non-Team Athlete(s) competes.
11. Beginning with the first Contest day of the Regular Season for Swimming and Diving and ending with the last Contest day of the Regular Season for Swimming and Diving, all Diving Competition shall consist of one (1) Voluntary Dive, which shall be done first, and five (5) Optional Dives, coming from at least 4 of the 5 groups and which may include any of the dives other than the voluntary dive.
  - a) The voluntary dive groups and the calendar weeks for the 2020-2021 Swimming and Diving Regular Season shall be as follows:
    - Forward group for weeks beginning December 6, January 10, and February 14
    - Back group for weeks beginning December 13, January 17 and February 21
    - Inward group for weeks beginning December 20 and January 24
    - Twisting group for weeks beginning December 27 and January 31
    - Reverse group for weeks beginning January 3 and February 7
  - b) In the case of a Regular Season Contest that is postponed and subsequently rescheduled, the voluntary dive group shall be the voluntary dive group that is required for the Calendar Week in which the postponed Regular Season Contest is rescheduled. The 6-dive form listing current DD's through the 2020-2021 rule book will be posted on the WPIAL web site at a later date. **This form may be duplicated.**

6 Dive List	Degree of Difficulty ~ 5 opt. Dives	3 Judges
Boys AAA	9.7	175.0
Boys AA	9.0	160.0
Girls AAA	9.7	190.0
Girls AA	9.0	160.0

Divers can qualify with the standard 6-dive list that is conducted in our Dual Meets or with an 11- dive list that they might participate in an Invitational Meet. All requirements for submitting proof of the Dive Sheets for a 6-dive sheet are also required of a qualifying 11-dive list. The requirements to determine a qualifying 11 dive score are noted below.

11 Dive List	Degree of Difficulty ~ 6 opt. Dives	3 Judges
Boys AAA	11.5	313.0
Boys AA	11.0	275.0
Girls AAA	11.5	350.0
Girls AA	11.0	284.0

12. Electronic entries for the 2021 WPIAL Championship will be done online. Entry deadline is Monday, February 22, 2021 by NOON. Instructions will be included in the WPIAL Swimming & Diving Tournament letter that will be published on the WPIAL web site in January 2021.
13. Reporting Scores. Coaches often complain that swimming and diving do not get the publicity they deserve. Recognition begins with sending your results to the media:

14. Uniform interpretation/clarification - suits worn by swimmers/divers. The following applies at ALL levels of competition and includes warm-ups.

Rule 3-3-1:

A competitor shall not be permitted to participate wearing a suit that is not of decent appearance. Boys shall wear suits which cover the buttocks. Girls shall wear suits which cover the buttocks and breasts.

Rule 3-3-3 (b) 4: made with no zippers or other fastening system other than a waist tie for a brief or jammer and elastic material within the casing/ribbing in the terminal ends (straps, leg openings and waist openings). This means female swimmers shall not wear suits that tie at the neck or any place on the back.

TEAM MANAGER DATABASE/MEET MANAGER BACK UP PROCESS

1. If you already have your **TM** database built from last season, make sure everything matches (QTs, etc.) with your information - the “use since” date is December 11, 2020. Please be sure it is entered correctly and checked in your team database. If you are starting with a new **TM** database, follow steps 2-9.
2. Download the **TM** standards file from the WPIAL website - [www.wpial.org](http://www.wpial.org). This file will have the correct order of events, entry times, school year designations and “use time since” date and is to be downloaded into your **TM** database. Schools that have split squads - one team AA and one AAA - create a database file for each team.
3. Add your team – TEAMS, ADD, **TEAM ABBR (DESIGNATED TEAM ABBREVIATION CODE – attached to this document)**, FULL TEAM NAME ex. Moon Area High School, TEAM REGISTRATION – USS, TEAM TYPE – HS, STATE – PA, LSC – AM so that results files can be merged easily and efficiently. The designated team codes are attached. If your school is not listed, please e-mail [jmorton@moonarea.net](mailto:jmorton@moonarea.net) to receive your code.
4. Enter Head Coach information – TEAMS, COACHES, ADD – complete all information through the e-mail.
5. Build your athlete roster – ATHLETES, ADD, LAST NAME, FIRST NAME, ID # - this is where you enter athlete USA Swim ID, GENDER, TEAM 1 (your DESIGNATED TEAM ABBREVIATION CODE – attached to this document), SCHOOL YEAR (9, 10, 11, 12) then click OK.
6. Submit **your TM roster** and your season schedule to your classification contact **no later than Monday, December 7, 2020**. FILE, EXPORT, ATHLETES/TEAMS. This is the only information that will be used to ID your athletes and teams all season. Meet results cannot be accepted until roster is submitted. **Meet results not received by the scheduled reporting deadline will not be accepted.**
7. VERY IMPORTANT - Use **TM** for your meet entries throughout the season – both home and away. If you do not use the same information for each meet, **your swimmers and times may not be properly imported and accepted.**
8. Download the **MM** template file from the WPIAL website – [www.wpial.org](http://www.wpial.org). This file will have the correct meet set up > order of events, entry times, scoring preferences, lane set up (adjust 6 or 8). Download into your **MM** database.
9. Use a new MM file for each meet and name the meet accordingly – MEET DATE, YOUR CODE@OPPONENT CODE. ex. – 121719 BPHS@NAHS. This can be done by making a template and renaming it for each meet. Do not purge a meet to use that file for another meet. **SAVE ALL YOUR MEETS.**
9. REVIEW AND VERIFY THAT ALL INFORMATION IS CORRECT as these are the official meet results. Send the **MM** meet backup to your classification contact and copy the visiting team at the end of your meet (should be immediately after the meet but no later than the established deadline.)
10. If you have any questions about how to meet the entry requirements, please email Jamie Morton [jmorton@moonarea.net](mailto:jmorton@moonarea.net). Training will be available before the season to assist schools that are unfamiliar with the **TM** and **MM** programs.

## ADDENDUM (Added January 19, 2021)

### Explanation of 2020-2021 WPIAL Swimming Championship Qualifying Standards Addition of “Second” Cut Times

How it works:

- Swimmers and Relays that achieve the “Automatic” time (as outlined on page 2 and below) will be able to automatically enter that event in the WPIAL Championship Meet (if they choose to).
- Individual swimmers and Relays that make the “Second” cut time (original WPIAL standard and below) should still send in a meet entry as described in the January 12, 2021 scheduling document (see p. 4 item #12.)
- Heats for each event will be filled with the “Automatic” times first and then all remaining positions will be filled with the next fastest “Second” cut time entries submitted.
- All other qualifying information remains the same as communicated on January 12, 2021 via the scheduling document (page 2, Item #5).
- This revision does not affect current qualifying standards for Diving.
