C: Follows runner towards 1B, as he would on a ground ball that isn't going through

1B: Comes down to the inside of first base, ready for a pickoff throw should the runner take too big a turn

2B: Covers second base

SS: Cutoff between LF and 2B

3B: Moves closer to second base

CF: Moves in and towards left field

RF: Takes an angle between 2B and 1B to backup the throw

LF: Catch ball, throw "through" the cutoff to 2B
