

316 Sports EVALUATIONS Information

WHY EVALUATIONS:

We do evaluations for two main reasons. 1) To get the players and parents a little taste of who we are and what we are about; and 2) To help us set teams and coaches to have the best competitive yet learning environment we can.

HOW EVALUATIONS:

We will create a **positive** environment with a **REGISTRATION** area to check in the player / parent. Players will be sent to a **designated area** with coaches to help them run through some drills and skills so that each can be labeled according to their current skill level (A, B, C). Once players go through all the designated skills, they will be free to go at the allotted time. During the skill times, the Director will speak to the parents on pertinent information about our programs and what to expect. When possible, these Evaluations are held at the same location and time of the registered program.

WHEN EVALUATIONS:

Season Evaluations are conducted at least two weeks prior to the season start. This gives ample opportunity for registration, team sorting and uniform orders to take place.
