To Coaches and Parents of Seaview Little League,

Steven Alfano Photography is pleased to be selected as the official photographer for the Seaview Little League program. We will furnish each player with a basic print package. There is an opportunity to upgrade to another package with your \$7.00 print credit. Here is the process for taking your team pictures:

- **Please refer to the schedule provided by the league for your picture time.** Arrive 15 minutes before your scheduled time and fill out the information on the order form; this will help all the teams stay on schedule.
- **We suggest you pick a “Picture Person” to handle the collection of the picture money.** We will collect your picture money at the time your pictures are taken and the large envelope is to be used by your picture person. The money is to be collected from all team members ahead of time and presented to the photo coordinator in the large white envelope on picture day. The order will not be processed unless payment is received. **All players are required to have their information on the envelope filled out.** Each individual envelope lists the various picture plans and specialty items available to you.
- For added convenience, you may order and pay securely by credit card online here:
<http://www.alfanophoto.hhimagehost.com/svll>
The online payment option will only be available until picture day.

We look forward to taking your pictures and if you have any questions call us at (714) 596-3551.

Thank you,
Steve Alfano
