Since 1975, Town 'N Country Baseball has been a non-profit, youth baseball program that manages a six (6) field baseball complex in the Town 'N Country neighborhood community in Tampa, FL. Our focus is to encourage participation, develop character and discipline, promote teamwork, and advocate citizenship and community pride. We will strive to provide quality instruction in the development of baseball skills, sportsmanship, competitiveness, and fair play. We function throughout the Spring, Summer All-Stars, and Fall seasons, serving 400+ families and giving Tampa youths, ranging from 3 to 18 years of age, the opportunity to participate in organized baseball each week.

While our baseball organization is located at a county park, we receive no funding from the local or state government. Our baseball organization is supported entirely by grants, sponsorship, concession stand sales, donations and special fundraising programs. We try to keep our registration fees low so that all children in our community can participate. It is very important for us that we continue to do so. Our league is run entirely by volunteers who spend their time to make sure the kids on our community have a fun, safe place to play baseball!

There are so many benefits that exist to having a non-profit, youth community baseball program. The opportunities for local youth to participate in sports provide tremendous return via the interaction, competition and commerce, not to mention the ability to take place in a safe environment for our children. The ability to positively occupy time in a youth baseball program provides a distraction from many of the negative influences and actions of the idle mind for our Tampa youth. The healthy benefits of competition and teamwork in an age of non - verbal communication via social media will sharpen communication and the ability to work and speak with others.

We realize that you may get many requests from local organizations, and we greatly appreciate your consideration in considering Town 'N Country Baseball. Any grant, sponsorship, or generous donation would enable us to continue to fulfill the needs of our young players and our park. We offer several sponsorship packages, and we hope you will take a moment to see what we are able to offer in return for your generosity.

On behalf of all of us, I thank you for giving us this consideration. We welcome any questions you may have or if you would like to plan a visit to our park.

Respectfully,
Tiffany Guerrero
