

Become A Sponsor!

The game of Lacrosse has recently been recognized as the fastest growing sport in the country.
In Tennessee alone, it has grown by over 400% at the high school level in a little over a ten year span.

Thank you for taking the time to consider sponsoring our team. Murfreesboro Mayhem Lacrosse is comprised of players from across Rutherford County and representing many area public and private schools. Our team is totally supported by parents, individual donations, and local businesses. Financial support is crucial to the team's success.

With your generosity, this year we are hoping to provide additional necessities like:

- Scholarships to aid financially challenged players
- Safe transportation to away games
- Updated equipment and uniforms

In return for your generous support, the team will recognize your sponsorship through the various advertising opportunities outlined below. The sponsorship levels will provide your business promotional opportunities.
