

## DLL Modified Tee Ball Rules

1. Everyone gets 4 pitches thrown from the adult pitcher.
2. If the batter does not get a hit after 4 pitches the ball is placed on a tee.
3. The batter only takes one base. No doubles, triples, homeruns.
4. Everyone bats every inning. Continuous batting order, Change your lineup every inning.
5. The last batter runs all the way around the bases and clears the bases to end the inning.  
Thus, have a different kid bat last every time.
6. Everyone plays the field, One player at each infield position the rest in the outfield. **No**  
**Catcher.** Rotate players each inning from infield to outfield
7. On defense, the team is encouraged to try and make an out. If this happens the player is sent back to the dugout.
