COVID-19 Update

Dear DASC Families,

Uncertain times bring rapid change. DASC will continue to do its best to keep club members informed. Program updates will be made weekly.

On March 15, EPYSA (our oversight body) issued the following advisory:

Eastern Pennsylvania Youth Soccer is suspending all sanctioned soccer activity through Sunday April 5.

Suspended sanctioned soccer extends to all leagues and clubs. This includes, but is not limited to:

- Training
- Organized kick arounds or fitness activities
- Games or scrimmages
- Tournaments
- Referee and coaching courses
- State Cups
- Indoor/futsal

The full advisory can be read [here](#).

In addition to DASC's cancellation of all club activities until the first week of April, our Travel program's CPYSL games will be cancelled through the weekend of April 11 at the earliest.

DASC is committed to doing our part to keep our community members safe. We appreciate your patience and understanding as we move forward.

Sincerely,

DASC Board
