

Dear Friend and Community Partner:

The **Dillsburg Area Soccer Club (DASC)** is prepping for our **5th annual Thundering Pickle 5k Turkey Trot**. This year we are planning a fun virtual event. The pandemic has required us to change how we run the event, but we are determined to continue this community tradition. **Still our need for your support is greater than ever!**

In large part, the success of our event has been due to the **overwhelming and generous support of our Turkey Trot sponsors. We are so appreciative of this support.** Thank you!

This past year, our \$250 level sponsors received placement on the back of 300 t-shirts. They were tagged and thanked on social media and had a prime piece of digital real estate on the DASC site for all members to be reminded throughout the year.

We would be thrilled to have your support this year. The proceeds of this event help to fund player scholarships. Last year's event helped many families play in our travel, recreational, and academy programs for little to no cost! Fundraisers play an essential role in helping to ensure all children have the chance to play soccer if they so choose. And this year, more kids than ever are facing financial hurdles to play.
