

To whom it may concern,

It is our intention to pay _____ to be a referee for the Allouez Anchors Soccer Club during the summer of 20__.

Referees will be paid a minimum of \$12 per game and will normally referee 1 or 2 games per week, primarily on Tuesdays and Thursdays, although there may be opportunities on other weekday evenings.

Each game lasts about one hour and will take place between 5:30 pm to 8:00 pm. The season starts the first week in June and will end by August, after which there will not be any further games to referee.

All referees will have taken a training course and will be provided with equipment to do the job.

Any questions can be directed to the contact listed below.
