

SAGRA Girls' Athletics

Providing quality instruction for girls ages 5 – 18
with your help Since 1976

Dear Friend,

SAGRA Attleboro Girls' Athletics is kicking off its sponsorship campaign for the upcoming season and we want to present you with a unique opportunity to work with one of the City's longest-standing non-profit athletic organizations. For over 39 years, SAGRA Girls Athletics volunteers have provided and developed girls' athletics in basketball, softball and field hockey. **As of today SAGRA's program supports over 500 girls ages 5 to 18 and their families.** Our programs are built on simple but strong principles girls can use on the field and in everyday life. We are the only area athletic group dedicated solely to the development of girls' athletics.

Through the generosity of businesses like yours, SAGRA is able to provide our participants with excellent programs at a minimal cost. Your sponsorship helps ease the burden and helps to make the program more financially accessible to all. In turn your business' name is front and center during the season on uniforms as well as on our website year-round! Your tax-deductible contribution and sponsorship will help keep SAGRA a thriving and successful program benefiting the young ladies of Attleboro. THANK YOU!
