

Astrel Labbe

I began my soccer career playing for Spanish River High School in Boca Raton and led the Sharks in scoring my senior season. I was selected as an All Area Player by the Palm Beach Post and Sun Sentinel. I received the same honor as a Cross Country runner. I won the Palm Beach County Cross County Championship race my senior year.

I attended Florida Atlantic University on an athletic scholarship. I ran Cross Country for 4 years there as an NCAA Division I runner. I was selected Rookie of the year. I received a bachelor degree in social work in 1999.

I currently hold an E license from the Florida Youth Soccer Association and completed the D-1 course.

This is my third season with the Boynton Knights.
