## Instructions

**Pre-Game:**

Enter the date, visiting team name, home team name and your name on the form. Enter the visiting team batting lineup in the first column above including player name and jersey number. Enter the home team batting lineup in the first column on the page below. When the first pitch of the game is thrown, record the official start time above.

**During the Game:**

In the column for the current inning, record (e.g. place an "X" in the appropriate box) each ball (B1..B3) and strike (S1..S2) until a full count (3 balls and 2 strikes) is reached. Record the result of each at-bat (HP = Hit by pitch, BB = Base on balls, 1 = Single, 2 = Double, 3 = Triple, and HR = Home Run). If the batter strikes out or is called out while running the bases, fill in the "Out" circle indicator for the player that is called out. If the batter scores a run during their at-bat or any other player's at bat, fill in the "Run" diamond indicator for the runner that scores. After each half inning, total the runs at the bottom of the column for that inning.

**Post-Game:**

Record the final score in the table on the bottom of this form. Record the pitch count totals for both the home and visiting team tabulated by the pitch count keeper (e.g. managers or another parent) in the table below. Have the home team and visiting team managers sign the bottom of the form. Put the form in the official score book binder in the back of the snack shack.
