## Sport Scholarship Application

GYAA is a non-profit youth organization that manages and supports youth sports programs for Goochland County and the surrounding areas. Each program is supported by registration fees, sponsor donations, fund raising, and concession programs. The registration fees typically do not cover all of the expenses of the programs. Given these constraints, is it challenging to allow individuals to participate in sports without paying the required registration fees. However, GYAA recognizes that certain circumstances can cause financial hardship for families, making these registration fees unaffordable. In keeping with our mission to support youth through sport programs, GYAA does grant scholarships for qualified families, allowing their child(ren) to play these sports. These scholarships are granted using guidelines and processes outlined below.

### Scholarship Eligibility Requirements

To be eligible for a scholarship, you must provide Goochland Youth Athletic Association with the following:

- Completed Scholarship Application

- Proof of Age – indicating that the player(s) meet(s) the GYAA requirements in order to play
