*No pitcher shall appear in a game as a pitcher for three consecutive days, regardless of pitch count.

If a pitcher has the available pitches, a pitcher could pitch in two (2) games in a day.

Pitchers reaching their maximum number of pitches in a day while pitching to a batter, may finish pitching to that batter before being removed.

Once the umpire-in-chief signals "play" to the pitcher, that pitcher shall become the pitcher of record and their pitch count begin at that point.

A pitcher is charged with the number of pitches in the specific calendar day and week in which they are pitched, regardless of whether they are local organization league games, the playoff of postponed games or suspended games, tie games, or exhibition games. Rest is calculated as per calendar day.

Any pitcher withdrawn from the mound and/or lineup, or a pitcher who is withdrawn from the mound and stays in the game at another position, shall not be permitted to pitch again

in the same game.

If a relief pitcher comes in "cold" the umpire shall allow the pitcher to warm up properly with at least ten warm up pitches.

Pitchers in violation of any of the pitching rules shall be considered ineligible players, subject to penalties outlined in Rule 18- Penalties.

The pitcher named in the batting order turned in prior to the start of the game or any substitute pitcher, shall pitch to the first batter or any substitute batter until such batter is put out or reaches first base, unless the pitcher sustains injury or illness which, in the judgment of the umpire-in-chief, incapacitates him from pitching.

The pitcher may bring their pitching hand in contact with their mouth or lips while in the pitching circle as long as they wipe off their hands or fingers prior to making contact with the pitching rubber. Penalty for violation of this rule is that the umpire will immediately call a ball.

The league should assign an official scorekeeper for each game to track pitch counts. In the absence of an official scorekeeper, the home team book shall be the official record of games statistics including pitch count.

14-SCOREKEEPERS

The official scorekeeper shall record at-bats, hits, runs, errors, strikeouts, bases on ball, number of pitches thrown by each pitcher of that game, and starting time of games.

It is recommended that in order to be considered the winning pitcher, pitchers should complete at least three (two in Mustang 10U) full innings and leave a lead that stands up for the remainder of the game.

The Official Scorekeeper shall communicate only with the Tournament Director and/or Home Plate Umpire.

18-PENALTIES
