## CALN L.L. OF THE COATESVILLE AREA NEEDS YOUR SUPPORT

Caln Little League of the Coatesville Area is proud to become one league combining the Caln Athletic Association and the Coatesville Little league into one program. Every child/student that resides in the Coatesville Area School District, and includes students of charter and private schools, can participate in our league. This league combination benefits families from eight townships and the city of Coatesville.

For over 60 years, our volunteer based, non-profit organization has provided recreational baseball, softball and Challenger programs to the Caln/Coatesville area families. We strive to keep our registration fees within the means of all area families. With a sponsorship, your business will support the area's oldest local Little League and show your contribution to over 800 families and all community visitors throughout the seasons.

We hope that you will consider sponsoring Caln L.L. of the Coatesville Area in 2020 to help us continue youth baseball and softball in our community.
