Neighborhood Trust Financial Partners (NTFP) is a well-respected, high-quality organization with a mission of financially powering individuals.

Originally founded by City Council Member Mark Levine and currently led by Justine Zinkin, **NTFP** is experiencing exciting growth as its innovative programs continue to make a mark citywide in the financial empowerment field.

NTFP is looking to identify five individuals for several positions at all levels of the career ladder --- from quite senior positions to more junior posts. Please help **NTFP** identify some dynamic candidates to join the **NTFP** mission of financial empowerment for all
