2021 Tournament Team Letter of Intent (Manager)

This 2021 Tournament Manager Letter of Intent for _____ is provided to Irmo Little League (ILL) of Irmo, South Carolina which operates under the rules adopted by its Board of Directors, South Carolina Little League District 3 and Little League International. This Letter of Intent should be considered an application to be considered as a Team Manager for an ILL 2021 Tournament Team; however, it does not guarantee the appointment as Team Manager to an ILL 2021 Tournament Team. Annually, ILL forms Tournament Teams to represent the league in the South Carolina District tournament, South Carolina State tournament, South Eastern Regional tournament and the Little League World Series tournament. Appointment as a Team Manager for an ILL 2021 Tournament Team is an honor that entails certain responsibilities, obligations and expectations from the Team Manager for as long as the tournament team is active in the 2021 Little League Tournament play.

By signing and submitting this Letter of Intent, I clearly understand and agree to the following:

1. That I meet the criteria for Team Manager selection as set out by Little League International.
2. I am fully available to manage a team, if selected, by attending scheduled practices and games for as long as the 2021 Tournament Team remains active in sanctioned Little League tournament play at the District, State, Regional or World Series level. Any selected Team Manager may be removed and replaced if the Team Manager consistently misses practices and/or acts in a manner that is not appropriate as determined by the ILL Board of Directors.
3. This Letter of Intent does not guarantee that I will be selected to manage a 2021 Tournament Team.
4. Additional costs related to travel expenses may be incurred. Fundraising will be done as needed to help offset the cost to the league and families. Fundraising is completed under the name of Irmo Little League and disbursement of funds will be determined by Irmo Little League Board after all expenses incurred by league have been accounted for. Each player is expected to participate in fund-raising activities.
5. ILL Tournament team practices and games will be a priority and personal schedules regarding vacations and other tournaments need to be provided to the league ahead of time before being selected as a Manager. Failure to regularly attend practices or missing games due to other activities could result in immediate removal as Manager.
