General League Information

- Schedules: Schedules will be provided by the RocSoftball League Directors prior to the first game of the season and posted online at www.rocsportsny.com. No games other than regularly scheduled games shall be played without the league director’s approval. Teams will be placed into divisions by ability level. The league reserves the right to place your team (this can change at any time during the regular season and/or prior to the postseason starting to ensure league parity).
Single Elimination Playoffs will follow the completion of the regular season and will be based on final regular season standings – number of teams advancing to playoffs and overall matchups will be determined by league directors. Playoff seeding tie-breakers will be based on regular season head-to-head matchup. Overall league champions will be eligible for postseason award.

- **Game Times:** 6:00pm, 7:15pm, 8:30pm, 9:45pm (only if needed). At least eight (8) players from each team’s roster must be present and ready to play. At 6:00 p.m., if a team has eight players, they must start the game. If a team has less than 8 players, there will be a 10-minute grace period. Forfeits will be called 10 minutes after game time. **No Inning can start after 1 hour and 5 minutes from beginning of game. (Exception: The last game on each field).** The clock in the 1st game on each field starts at scheduled game time; subsequent games starts 5 minutes after the completion of previous game.

- Start times for games on fields without lights (Cobb’s Hill Field 1 and 5) scheduled after August 1st may be adjusted for earlier sun sets. The first game could start at 5:45pm, following the above rules, and the second game would begin at 6:45pm.

- If an umpire is late, the first game will start as soon as he/she arrives. As stated above, no Inning can start after 1 hour and 5 minutes from beginning of game.

- **Rainouts/Makeups:** League directors will decide whether or not games will be played due to inclement weather or questionable playing conditions. **Managers should check the RocSoftball website at http://www.rocsportsny.com and/or the “RocSports” Facebook page after 4pm on game day for cancellation reports.**

- If conditions are questionable after 4:00 p.m., teams should report to the field where a decision will be made by the umpire.

- Once the fields are deemed unplayable and games are cancelled for a particular night that means ALL remaining games are cancelled for that night (i.e. if games are cancelled prior to 6pm, ALL games at ALL timeslots are cancelled).

- RocSoftball League Directors will make every attempt to make up games that are cancelled due to inclement weather on the teams’ regular night of play during the regular season (as doubleheaders). If this is not possible, the team(s) involved will be given enough advance notice to make arrangements to play at an alternate site and/or different night of the week.

  - In extreme circumstances where games cannot be made up no refund(s) will be issued (per the City of Rochester Policy). It is always the intent of the RocSports league directors to play league schedules to their completion unless extreme circumstances prevent it (ex. Weather).

- **Official Game:** If a game is suspended in the event of inclement weather or darkness after 3 ½ full innings (home team ahead) or 4 full innings (visiting team ahead) the game is official. Less than that or if suspension is for other problems, (light failure, long injury delay, etc. the game will continue from the point of suspension). Any game resulting in a tie after the 4th inning either because of the time limit or darkness will result in a tie game (Playoff games cannot end in a tie).

  - Any team that forfeits a game during the regular season may be subject to removal from end of season playoffs at the discretion of the league directors.

RocSoftball Rules of Play for ALL Divisions
MEN’S AND COED

The official USSSA rule book will govern play (Use this link for FULL USSSA rule book - https://usssa.com/docs/2021/SP_RuleBook_21.pdf); local league rules below supersede if applicable.

- Warm-ups: In order to speed up play, there will be THREE warm-up pitches allowed for pitchers between innings, with the exception of the top and bottom of the first inning, or if a new pitcher enters the game.
- Pregame Practice: Warmups behind the bleachers only - no batting or infield practice.

ALL leagues:

- Any batted ball hitting the white portion should be fair and any ball hitting the red or orange portion should be foul. On the initial throw to first base from the infield or outfield, the batter-runner MUST TOUCH the red or orange portion of the base but not the white. If legally appealed by the defense, the runner will be called out. The defensive player MUST always touch the white portion. This rule is in effect only on the initial play at first base. This does not include:
  1. Returning to the base after over running,
  2. Running on a base hit to the outfield (runner may touch the red or white part)
  3. Re-tag to advance on a fly ball.

All BASES must be securely fastened at their designated places.

- Three ball (3) and two (2) strike rule. (Start with one and one count)
  - 2nd foul ball after 2 strikes you’re out rule
  - 3’ – 10’ arch
- Sixty-Five (65’) foot baselines shall be used in all adult programs.
- Pitcher’s distances of 50 feet for both men and women.
- Mercy Rule: 10 runs after 5 completed innings (home team does not have to bat in the bottom of the 5th inning).
- Minimum 8 players to start game w/ a maximum of 12 allowed in the batting lineup (2 AH – additional hitters allowed). There shall be no more than 10 fielders at any given time.
- Players that arrive late (after an inning has started) may be added to the end of the batting order and must wait until the beginning of the next half inning to enter the game.
- If someone gets injured and you have no subs, no out is recorded when the injured players spot in the lineup comes up.
- No fake pitching is allowed in any leagues.
- There is no leading or stealing.
- The infield fly rule will apply if there are less than 2 out and there are runners on 1st and 2nd base OR the bases are loaded.
- Ejected players can be replaced with subs that are on your roster.
- ALL players MUST REMOVE jewelry prior to play.
- The “Flip Flop rule” is not preferred, but is left up to the discretion of the managers and umpire at the game. This should only be used if a game is completely one-sided and in the spirit of getting the game to completion quicker.
• The home team is the official book. If no scorekeeper available - visiting team is designated official book. Be ready to play at scheduled game time. Tape the playing and ground rules in your scorebook.

** Courtesy Runners:**

• Each team is allowed an **unlimited** amount of courtesy runners per game, who have to be the last batted out (co-ed league must be same gender of last batter).

** COED Rules ONLY**

• **Six (6) run MAXIMUM per inning (with the exception of the last inning).** What this means to you? When you hit 6 runs your inning ends – regardless of how many outs there are.

  - Three guys cannot bat in a row at any time. There is no mandatory defensive player positioning.
  - As players arrive, they can be inserted into the lineup if they meet gender requirement anytime.
  - **When a male batter receives a base on balls or intentional walk, he will be awarded first and second base with the next female batter having the option to walk or bat. If a male is up after the person that walked the male that walked will only get 1st base.**
    - Note: If the next female chooses to walk, it is not considered an intentional walk for the purpose of making an appeal.
  - 5th infielder may not be used. Outfielders must start in outfield grass.

*Exception:* A minimum of 8 players can start a game. However, whenever males bat “back to back to back” an out must be taken. Only 6 male players can be play defensively at a time.
