

Scavenger Hunt

Out of Town Tournament – Team Building Event

Directions: You have 60 minutes to complete as many of the 10 challenges listed below as you can. All teams must stay together at all times. Challenges can be completed in any order. Each challenge must be completed with proof or evidence: photo, video, or physical object depending on the challenge. All teams must meet at the designated meeting place at the designated time, 60 minutes after the start. Any team that is late will have a completed challenge taken away for every 5 minutes they are late. Work as a team, have fun, and be safe.
