## Sponsor Request Form 2020 Season

West Baton Rouge Baseball and Softball, Inc. is a recreational, non-profit organization designed to give every child an opportunity to participate in the great sport of baseball, softball or t-ball. Through the years, our league has developed into an excellent program which provides quality instruction, development, confidence building and direction for all children who wish to participate in our program.

The success of this organization is dependent on the participation and support from our parents, players and community. We are fortunate to have high quality facilities provided by our parish and always strive to offer a program our community can be proud to be a part of. WBR Baseball and Softball, Inc. is filed with the Louisiana Secretary of State. Our league currently charters annually with USSSA Sports Association leagues, which offers some players an opportunity to participate competitively post season in the All Star program at levels.

An immense factor in our ability to administer Westside program is the continued support of our area businesses by providing sponsorships at various levels. We are asking for your support for the 2020 season. Sponsorships of our league allows you an opportunity to put your company name behind a positive non-profit organization who focuses on supporting our local youth along with promoting physical activity and team work. Your generous contributions will be used to help purchase uniforms & equipment for the teams in our program. Please consider a sponsorship of one or more of the sponsorship levels on the attached page. If you prefer not to sponsor but would like to contribute, donations are greatly appreciated.

Thank you for your consideration and continued support of Westside Baseball & Softball. If you have any questions, please feel free to email us at [westsidebaseballandsoftball@gmail.com](mailto:westsidebaseballandsoftball@gmail.com)

Once again, thank you for your support of our program.
