IX. AWARDS AND TROPHIES

Therefore, common sense must be the determining factor.

Competition is only one part of cheerleading; our main function still lies in the interaction between the team on the field and the fans in the stands.

Every participant that has ever put on a uniform and walked onto our competition field has worked extremely hard to get here.

In 1996; Florida high schools recognized cheerleading as a sport and the SYFC has recognized this fact since its inception in 1995.

21.

B. TIME

1. A total of 2 timers and 2 people will be used to keep record of time.
2. Time for the entire routine (including dance) should not exceed three (3) minutes. Two (2) timers and two (2) people will be used to measure this time period. Should a discrepancy occur between the two timers, the total time will be added, and then averaged for the exact time of the routine.
3. All Members of the squad must be in the box before the timing begins. Timing will begin upon first word, movement or music, after announcement of the team name followed by "in Competition". This will take place after the team competing is staged.
4. If a squad exceeds the time limit for routine, 1 point per judge will be deducted from the total score (4 pt. per occurrence).
5. Time will stop with the last motion or when the music stops.
6. Routine time will be recorded directly on the score sheet where provided.

C. ROUTINE

1. The routine should have as many cheers, jumps and chants as can be worked into the allotted time comfortably.
2. The routine must have one squad jump. (The deduction judge is to note on the score sheet where indicated that the team has fulfilled this requirement) Failure to comply will result in a 10-point deduction.
3. The routine must have one cheer and one chant without music. (The deduction judge is to note on the score sheet where indicated that the team has fulfilled this requirement. **Failure to comply will result in a 10-pt. deduction.**)
4. Routines are viewed by audiences of all ages. Vulgar or suggestive music or material is restricted and will result in a 1-point deduction for each incident. Vulgar or suggestive material is defined as any or movement or choreography implying something improper or indecent, offensive or sexual in content, and/or relaying lewd or profane gestures, implications or lyrics. Vulgarity will be determined at the discretion of the judges.

5. The only partner stunts, pyramids, jumps, tumbling and gymnastics not permitted are those which are listed as illegal in the National Federation of High Schools (NFHS) Spirit Rules book. Each coach or instructor should have a copy of this book.

D. PROPS

1. Props may include the following:
 - a. Pom poms
 - b. Megaphones
 - c. Signs as defined herein
2. No spirit bears, dolls, etc. allowed
3. Signs, banners, boxes, etc., may be used if each is small enough to be carried on and off the field or station safely by one squad Member. Signs may not have framework or other detachable supports made of any material foreign to, separate from, or other than the actual plain, flat material used to convey the intended message or part thereof.
4. Props may not be attached to any part of the uniform.
5. (Any team with illegal props/banners/signs will receive a 20-point deduction.)
6. No glitter, face painting, nail polish, long nails or MAKE UP of any kind may be worn at competition by any squad Member. Only skin tones foundation/cover-up and eye liner can be worn. Failure to comply will result in a 10-point deduction.
7. No jewelry can be worn unless specifically approved in the High School Rule book and properly taped to the body. Failure to comply will result in a 20-point deduction.

NOTE: Hair accessories shall have no glitter, or any other detachable materials that are not approved by the High School Rule Book.

E. STATION, ENTRANCE, EXIT

1. Competition shall take place wherever the SYFC pre-schedules the event.
2. The size of the station/box shall be 54 feet wide by 42 feet deep and will be denoted by cones and if possible outlined by field paint. Deductions for stepping outside of the station/box will result in a 1-point deduction per occurrence.
3. Cheer squads will be placed on deck prior to their turn and will be moved into box by the designated representative. All routines will start from within the box so there will be no walking into the box to start a routine. Also, it will not matter if the team is brought into the box from the back or the side all teams will set up inside before the routine begins.
4. Before or after performance cheer squads will proceed with cheer coordinator or Organization representative of that squad to the Conference tent for official check-in by SYFC officials. The cheer coordinator or Organization representative of that squad will not interfere with the check-in process/ONLY to assist the process.

VIOLATIONS AND PROTESTS

I. PENALTIES FOR VIOLATIONS OF THESE RULES

- A. GENERAL:** There exists an understanding by all Member Organizations that these Rules and Regulations and By-Laws are for the benefit and interests of all the youths participating in this program and that adherence to these rules provides the best possible methods to insure a safe and enjoyable experience for them. Willful violation(s) can only mean that the youth's best interests are not being considered and therefore the assessed penalties can be expected to be very severe in nature.
- B. PENALTIES:** All SYFC Members understand and acknowledge that the Suncoast Youth Football Conference, its Officers and Board of Directors, also known as the Rules and Grievance Committee, have the ultimate right to make and enforce the Suncoast Youth Football Conference bylaws, rules and regulations. The Suncoast Youth Football Conference, its Officers and Board of Directors require that its Members refrain from conduct injurious to the SYFC or its purposes. Any Member Organization found to be in violation of these principles can be placed in a finding of Bad Standing with the SYFC as a whole. Jurisdiction, enforcement powers, and interpretations of the SYFC by-laws, rules and regulations will be the sole responsibility of the Suncoast Youth Football Conference Board of Directors, also known as the Rules and Grievance Committee. PENALTIES prescribed by the Board may include but not be limited to the following:
1. Infractions of the SYFC rules and regulations.
 2. Infractions of the SYFC by-laws.
 3. Conduct deemed detrimental to the best interest of the SYFC.
 - a. Fines not to exceed \$500.00 per violation.
 - b. Game and/or practice suspension.
 - c. Individual and/or team suspension.
 - d. Probationary status – Specify length and terms of probationary period.
 - e. Season suspension.
 - f. Playoff/Competition sanctions.
 - g. Revocation of Organization's good standing status.
 - h. Expulsion from the Suncoast Youth Football Conference.
- C. BAD STANDING:** A Member Organization will be considered to be in bad standing if all the requirements for Membership in good standing are not met. Members in bad standing lose all Membership privileges accorded to active Suncoast Youth Football Conference Organizational Members to include, but not limited to, voting privileges, right to hold office and possible further disciplinary action.

Note: An Organization can be placed on probation without being in bad standing.

- D. PROBATIONARY STATUS:** A Member Organization found to be placed on probation will be known as a Member Organization in Bad Standing. A Member Organization may be placed on probation by a simple majority vote of the Board of Directors, also known as the Rules and Grievance Committee.
- RECOMMENDATIONS:** It is recommended that violating party (individuals) be penalized, punished or sanctioned and that affiliated faultless Member Organizations will not be jeopardized by the individual's actions.

II. PLAYING SEASON PENALTIES

- A.** Any coach or player ejected from a game by an official for a violation and reported to the SYFC by the Officials Association shall be suspended for at least

one (1) game for the first offense. A season suspension shall be applicable for the second offense and the offenders must appear before the SYFC Board of Directors prior to further participation in the SYFC.

- B. Any coach or player who causes a game to be terminated for other than normal reasons and reported to the SYFC by the Officials Association shall be suspended for at least one (1) game for the first offense. A season suspension shall be applicable for the second offense and the offenders must appear before the SYFC Board of Directors prior to further participation in the SYFC.
- C. Any player or coach ejected from a SYFC game shall be reported to the SYFC office by his Head Coach and/or his Organization on a form provided by the SYFC. This form with the player(s) information and/or coach(s) pass must be submitted to the SYFC office no later than Tuesday following the game. Failure to do so will result in a one-week suspension of the head coach for the first offense. A season suspension shall be applicable for the second offense and the offenders must appear before the SYFC Board of Directors prior to participation in the SYFC.
- D. Any player or coach ejected from a SYFC game or sanctioned function shall leave the premises, playing site or competition site. The player or coach will also be suspended for at least their next game.
 - 1. Coaches or players will leave the site the day of the ejection and cannot return to their next week's game site at all. They are also suspended from all SYFC activities for the time designated. This suspension includes practices, games and all SYFC function.
 - 2. Should a player not have an adult at the site or a way to get home safely, then they will be turned over to the Organization's rep at the site to remove them or hold them away from everyone till they can be released to the coach and then removed.

III. PROTESTS

- A. All protests and/or unresolved disputes related to these principles, Rules and Regulations or rule violations will be determined pursuant to the By-Laws of the SYFC.
- B. The Rules and Grievances committee of the SYFC will have complete jurisdiction over protests involving rules and interpretation and player eligibility. Their findings and recommendations will be referred to the Board and their decision will be final and binding. Under NO circumstances shall an official's judgment be protested.
- C. Protests shall be submitted no later than Saturday following the game under protest. Copies of the protest must be submitted to the President of the SYFC. The SYFC will review the protest and forward to all presidents of Member Organizations. A protest fee of \$50.00 per protest (one violation per protest) will be required as a bond. If the protest fails, the bond will be forfeited to the SYFC. Only Presidents can file a protest. The following information must be included in the letter of protest:
 - 1. What Organization is being protested?
 - 2. By what authority the protest is being filed.
 - 3. Date on which the violation occurred or, if violation is one that is not dated, state the date the violation was discovered.
 - 4. List rules and/or by-laws (article, section, paragraph and page) that were violated and a description of your proof.
 - 5. List penalties being requested, this should include whether or not you are requesting a game reversal.

6. If game officials were involved, you must so state since Organization is not to contact individual officials for their testimony. The Executive Board shall contact the Officials Association to make the proper arrangements for testimony.
 7. Any Officer of the SYFC shall have the power of filing a protest without the \$50.00 protest fee. All other procedures will be followed. A protest can be filed by an officer of the SYFC if the President had directed the officer to investigate an Organization for possible infractions of the rules, regulations and by-laws. Any officer of the SYFC can file a protest against an Organization; however, the protest must be filed with the consensus of the Executive Board of the SYFC.
- D. It is encouraged that Organizations resolve their disputes at the playing sites.
