

If You See It, Flee It; If You Hear It, Clear It

REMEMBER:

- **Track approaching storms the best way possible: Internet radar websites, dedicated storm warning system at field, or other storm warnings**
- **Evacuate fields when storms are about 10 miles away: Have players and spectators go to enclosed building or to cars with windows rolled up**
- **Clear fields immediately after thunder has been heard or lightning seen!**

PLEASE WAIT!

- **Wait 30 minutes before returning to play after last sign of lightning activity in your area**
- **Cars shouldn't leave until the game is called, so all players can be accounted for**

Guidelines from the National Oceanic and Atmospheric Administration's (NOAA) National Weather Service
