CLARIFICATION OF LOCAL RULES
February 23, 2018
Pee Wee Boys

All games should complete 4 innings of play with a few exceptions:
- If you have reached the 70 minute mark and the home team is in the lead, the home team does not need to bat in the bottom of the 4th.
- Run rule comes into effect -- if you have played 3 innings and you have reached the 70 minute mark - one team is ahead by 6 or more runs. (Due to 5 run limit per inning)

Use a continuous batting order and all fielders may switch as needed provided everyone receives a minimum of 6 outs in the field.

The following guidelines will help keep the games moving as quickly as possible:

- 5:45 - Umpires need to report to the field for pre-game equipment check and coaches meetings.
- Begin the game as soon as all issues have been taken care of. If it is a few minutes before 6, that is ok. Let's always try to begin by 6 or before.
- Reminder -- You may courtesy run for the catcher with 2 outs. (Courtesy runner is who ever made the last out)
- Encourage your team to hustle on and off the field.
- Overthrows at 1st base: First half of season until 4/24, if a throw is made to first for a force out from any position and the first baseman or coach in field requests "Time" Runners will only be awarded one base for the overthrow. They will only be awarded the base if a commitment is made to take that base and are doing so at their own risk.
- If you have less than 9 players, you may start the game and add them to the end of the lineup as they show up without penalty. You may also pickup if mutually agreed by the other team. The player shall bat last and play outfield.

Additional Items:
- Everyone will get a box of game balls on opening day
- Typically we will make it through a game with 2 game balls supplied by the home team. Anyone who does not have it: Light Key is in concession stand and Container Combo 1836, please make sure each is off or locked before you leave.

General Notes:
Umpire duty is simply representatives from both teams from each time slot
helping each other out on any given weeknight. The idea is to give each team flexibility to allocate duties internally.

Opening Day & Saturdays:
Game 3 umpires Game 1
Game 1 umpires Game 2
Game 2 umpires Game 3
