

Lewis Baseball Association: About Us

The Lewis Baseball Association (LBA) offers the youth of Lewis County, WV an opportunity to play baseball and softball. We are dedicated to providing a competitive and educational experience for all players. LBA is designed to provide a positive learning experience for all of our youth. We emphasize the importance of teamwork, sportsmanship, and improving our players' fundamental skills, in an effort to promote their physical well-being, build their confidence and self-esteem, and help them achieve their personal goals. It is our goal, through this youth baseball and softball program, to instill positive character and leadership skills for our participants and the future of our local community. There are currently 452 boys and girls, ages 5-18, playing in the Lewis Baseball Association.

Lewis Baseball Association: Team Sponsorship

The Lewis Baseball Association is in need of team sponsors for the upcoming 2017 season. Money donated for team sponsorship will be spent only on that individual team and their uniforms over the next three years. Additional funds are being raised to cover the costs of equipment, field maintenance, and instructional clinics for all ages. All monetary donations are directly spent for, and in support of, our youth. The league is a nonprofit 501-C3, run solely by volunteers from the local community. Each week hundreds of players, family, and friends visit our complex from Lewis and the surrounding counties in Central WV. This is a wonderful marketing and public relations opportunity in the community for any business. The business' name will be prominently displayed at the fields with a banner of thanks, and a tax deduction form will be issued with the donation.

If you are interested in sponsoring please contact, Lewis Baseball Association, at (304) 997-5244 or via email richardaclem@yahoo.com.
