2021 AAGSL SPONSORSHIP OPPORTUNITIES

The Abington Area Girls Softball League is open to all girls ages 5 to 17 who are interested in recreational softball. The goal of the league is to provide an instructional and fun environment to learn and play softball. We typically register about 250 girls a season. At this time we are currently looking for local community minded sponsors to help support the league. When you choose to support the AAGSL your company logo will be seen throughout the spring, summer and fall seasons by the players, parents, grandparents as well as the players and families of visiting teams. Please consider this opportunity to support the AAGSL and gain exposure to your business while at the same time helping out the local community. Any questions can be directed to James Riff at AAGSLsponsor@gmail.com.
