

Dear players, coaches and parents/guardians

Please remember our goal and pledge at Roselle Park Soccer Club is:

TO KEEP IT POSITIVE!

A good sport is a team player. It is important for all players to understand that their behavior on the soccer field and on the sidelines reflects on the entire team. Soccer is a **team sport** and good sportsmanship is a key principle that our league was founded upon.

Please read the pledge below together with your parent/guardian. Then sign (both the player and the parent/guardian) and return this form to your coach.

PLAYERS PLEDGE:

I will keep it **positive** by...

- Listening and following directions of the coach(es) at all times
- Playing by the rules/laws of the game
- Cheering for and encouraging all of my teammates
- Respecting the referee and his/her authority on the field
- Exhibiting good sportsmanship toward my opponents-before, during and after the game
- Letting my parents/guardians and friends who attend my games know that their positive comments are always welcome
- I WILL ALWAYS REMEMBER TO HAVE FUN!
