Sponsorships, donations and gifts in-kind are tax deductible!

Another season is upon us and Corvallis Little League is looking forward to continuing to provide the best experience possible. Since 1994, CLL has been teaching the fundamentals of the sport hand in hand with the values that team sports foster. Last year, sponsorship funds helped us secure our fields from the City of Corvallis, off-set insurance costs for players, provide players with some desperately needed new equipment, offer scholarships to those in need and allowed over 500 children to experience the joy and traditions CLL has to offer. Please contact me if you have any questions, concerns or special requests regarding sponsorship levels. Thank you for your support!
