Director of Training:

Don Norton

- Ike will have his goalie camp again this summer 7/10—7/13. Email with info will come. 530-630 U12 & under, 630-8 for older players, \$100
- NJ F/E course available, one on 7/21
- Deptford & Voorhees tournaments are coming up
- First time NJYS is having a meeting with everyone to discuss player development, coach development, and license requirements

President's Report:

Greg Wiesmore

- 3v3 summer league starting, you can have multiple teams, shouldn't have less than 6 players per team
- 70+ teams registered
- Pushed back 1 week because of field location, will be at GTCP instead of TC due to the amount of fields needed
- \$200 per HYSC team, \$325 for teams outside of HYSC
- Wed. nights, 530-830 younger teams first, June 14-July 19
- Spoke to someone from NJYS who wanted us to join them in their TOPS program (for special needs players). We already have a program like that called Soccer Stars started by Bob Cooper

- Kickin' Cancer soccer tournament with our partner club, Hamilton Girls Soccer Club, is on June 10 & 11 and is a 5v5 tournament to raise money for Cancer Society. It is free to HYSC teams. If interested, please let Greg know asap
- NJ RUSH donated \$1000

Vice President's Report:

Dan Clancy

- Uniform sizing is June 5, times are scheduled. Coaches should attend & bring list with jersey numbers
- If can't make times let MBM know
- Sizing store is behind MBM in strip mall
- Get players registered so they can get sized for uniform
- Uniform will be black shirt with grey alternate jersey, black shorts and black socks. One alternate option, no choices this year. Makes ordering easier
- Parents are responsible for purchasing alternate and the name and jersey number on both shirts
- Coaches wanting to train in summer, need to let Dan know so he can do grid. More people train in the summer now than in the past. No Wed will be available bc of 3v3
- Movie night went well! Nick Santillo did an amazing job! Turnout was awesome: 250 for movie, 500 throughout the night with IM players, set up was great!

Girl's Travel Commissioner:

Jenn Storer

- There was a problem with the patches, need to be overnighted, should have by tomorrow afternoon. If need them let Jenn know
- Games are going on June 3&4, check schedule in case of changes
- June 9 is the last day to make up games, then you will get ref fees back
- Register teams with SJGSL (usingyourhead.com). Info will go out in email
- Everything will be done online, all info will have to be uploaded into system next year and then DC will approve then you can print cards. Meeting is 6/6 to learn more about it and then the info will be passed onto coaches. If it's

too difficult to explain in email, meeting with coaches will be scheduled. It was suggested that we use "CAM SCANNER" to make uploading forms easier.

- Next year U8 will play U9, new U12 team Hornets and Storm combined

Boy's Travel Commissioner:

Dan McGinley

- Teams in place for fall. U8, 11, 12, 13, 14, 16, & 17 have one team. U9&10 have 2 teams, no U15 team
- Mike Kelly will set up system to have email go out about registration so players can get uniform

Trustee/YDP Commissioner:

Don Flynn

- Good YDP season
- Would like to see training expanded bc it made a big difference this year. Players were spreading out, passing, getting good touches-saw good things taking place
- YDP program has 9-12 year olds some 13, gender mixed, for players not ready or interested in travel
- Greg: "Don does a great job with the program. It's growing every season, started by Don Flynn & Joe Costanza, it's a great place for players to play that don't want to travel."
