Board Members Present: Greg Wiesmore, Dan Clancy, Don Norton, Nick Santillo, Sandeep Mehtani, Mike Kelly, Joe Foley, Don Flynn, Christina Schiavo, Dan McGinley

Absent: Lisa Freeman, Pat Gallagher, Christine Allmond, Jen Storer, Brian Savacool

Attendees: Anthony Porcelli, Steve Palacio, Patrick Koreck, J. Koester, Jim Ford, Meryl Willingmyre, Keith Gillis, Scott Fierman, Dan Schiavo, Ron Weber, Kaitlyn Bannan

Presidents Report: Greg thanked Nick and Christina for their work to get more kids registered this spring. The GM meetings will be scheduled and posted in advance going forward.

Vice President Report: Picture day April 1st. Please let Dan know if your team is going to participate and if you need pic packets.

June 3 and 4 will be make up games. All games are to be scheduled through Sketta.

If you need a uniform for a player do not go to MBM please see Dan Clancy.

Please stick to the space you were given for practice and training. The fields are broken up into grids so that everyone has space. Mullen has space available with lights if needed.

We are working with the TWP to rehab the fields behind the snack stand.

IM training is on the football fields.

General Commissioner report:

Thank you to those that volunteered to help with opening day field lay out. With the bad weather and field conditions we are not sure if we will have field prep this weekend. We will inform you of any changes this week. Please have someone from your team come to help expedite the process.

If you are unsure how to lock in the goal posts on turf fields please see Dan Clancy or Pat. Please do not try to do yourself if you do not know what you are doing.

The refs will be checking each game to make sure the goals are locked down. Anthony P. suggested having WD 40 handy to help lubricate the area for ease of use.

If there is a team in your practice area and you do not feel comfortable approaching please call Dan and he will come help.

IM Report:

Meet and greet was a success. The coaches meeting was very well attended.

Still registering kids and placing onto teams. We have 345 kids this season.
