

Why should you send your child to Creekside's Elite Camp?

- ◆ Our Staff consists of US Soccer Instructors, College Coaches, ODP and Regional Coaches, Academy Directors, Coerver trained Coaches, and College Players
- ◆ Camps are Local
- ◆ Camps are Affordable
- ◆ Low Player to Coach Ratio

Our coaches take the time to work with each player and challenge them in a safe, structured and fun training environment. Players will not only leave our camps having increased their technical skills, but they will also improve in their team tactical skill and decision making.

Train with us while your competition vacations!

Our Camps are designed to challenge each player and help them get ahead of their competition. We work on individual skill work during the mornings including footwork, passing and receiving techniques, speed and agility, crossing, finishing and strength. The afternoons will be filled with perfecting these individual skills through maximum repetitions in a team, tactical setting. We will incorporate the morning individual skill work in to small-sided games to expand skill in combination play, mobility, decision making and speed of play.

Our goal is to prepare each player for their fall season and increase their performance in training and in games. In addition to working on individual techniques and tactics, we will also focus on leadership and goal-setting through each session.

Our coaches will encourage players to take risks in training, to be brave on the ball and instill confidence in them to do their absolute best. We want all of our Elite players leaving camp ready to be leaders for their club and school teams.

Striker/Keeper Camp Evening Camp at Bluesprings July 22 - 26 6:00pm - 8:30pm

For: Select & Academy level players ages 8 & up
Cost: \$100. Includes Camp shirt.

This camp is **NOT** for beginners. Players will receive a week of high level training and assessments.

STRIKER CAMP-is all about **SCORING GOALS!** Goals can come from any position on the field. The ability to finish, regardless of position, is soccer's most sought after skill. Emphasis will be placed on technical preparation and application to tactical situations on the field and under pressure.

KEEPER CAMP- Keepers will be put through a competitive training program designed to STOP GOALS! The responsibility of the Goal Keeper is more than just standing between the posts. Keepers must prevent goal scoring chances inside and outside of the penalty area and with the guidance of our GK staff, the keepers will learn to do just that.

Strikers & Keepers will come together to work on the skills learned during their sessions.
