South Hadley's Community Garden is only open to South Hadley residents. The Community Garden is located at the Town Farm, Rte. 47, adjacent to the Athletic Fields.

Gardeners Commitment: Gardeners are asked to contribute to the garden by volunteering time in activities that support the garden. All gardeners must attend an orientation meeting and contribute towards the general maintenance of the garden. This may be accomplished through participation at various scheduled work days, including Opening and Closing Days. Work days are dedicated to tasks and projects needed to maintain common garden areas for the season. ***Inital here:*** _____

Fees: Plot fee is $20 and is required for issuance of a plot. Plot fees are used to provide materials for the garden such as compost, manure, tools, repairs, fencing, water, etc. Fee waivers are available upon request. No one will be turned away due to a lack of funding.

Workshops and Events: The garden plans to hold educational workshops dedicated to topics of interest as determined by the gardeners. We hope to have workshops on pest control and handling supplies, gardening tips, etc. We would welcome your participation. If you have further questions please feel free to contact us.
