

ROANOKE AREA YOUTH SOFTBALL ASSOCIATION
LOCAL RULES FOR 10U-B LEAGUE SOFTBALL

THESE RULES ARE SUPPLEMENTAL TO THE OFFICIAL NSA SOFTBALL RULE BOOK AND SHALL APPLY FOR THE 2019 REGULAR SEASON.

TIME

1. *Home teams shall occupy third base dugout and visitors shall occupy first base dugout. Only players and coaches listed on the team's roster may occupy their team's dugout. No infield or sideline warm-up is allowed. All warm-up shall be beyond the base lines on the half of the field of the team's dugout.* Managers are to show the umpire a line-up of players, including substitutes, and then give a copy to the opposing team manager. Home team will be the official scorekeeper and will supply game balls (one new and one near new). Games will start promptly at the scheduled time.

2. Teams shall play up to six (6) innings prior to 1 hour and 30 minutes after the scheduled starting time of the game. All time limits shall apply from the **scheduled starting time of the game**, not the actual starting time. No inning shall start after the time limit expires (even if tied). A new inning starts immediately after the final out of the previous inning (NSA rules allow for one minute for warm-up between each half inning). All play shall be suspended at 8:30 p.m. on school nights and 9:00 p.m. on other nights.

3. A team's turn at bat shall end after three outs or five runs have been scored. This rule applies to all innings. A team may concede at any time.

PITCHING

4. No player-pitcher shall pitch **in** more than two consecutive innings in a game. Pitchers who do not pitch **in** the previous inning may re-enter the pitching position. The pitch shall be made in accordance with fast pitch rules but shall be thrown with an arc that travels at least to the top of the batters strike zone before reaching the batter. If the pitch is judged not to have sufficient arc, the umpire shall issue one warning per team per game. Subsequent pitches deemed non-conforming shall be called an illegal pitch (a ball is called and all base runners advance one base). The pitcher's plate shall be thirty-five (35) feet from home plate

5. If batters are hit with a pitched ball three times in the same game by the same pitcher, that pitcher must be removed from the pitching position for the game. It shall be considered a hit by pitch even if the pitch bounces prior to hitting the batter. No base award will be made unless the batter attempts to avoid being hit.

6. If after the player-pitcher throws five (5) pitches to the batter, the batter has not reached the base safely or has not made an out, a coach-pitcher from the offensive team will throw the remaining pitches to the batter up to a total of seven pitches (seven pitches from the player-pitcher and coach-pitcher combined). If the seventh or a subsequent pitch is hit foul and is not a caught fly ball, the batter shall be given another pitch. If the batter has still not reached the base safely or made an out, the umpire shall declare the batter out.

Three strikes, either swung at or not, including foul balls (with less than two strikes) shall be considered an out (strikes are accumulated, i.e. two strikes from the player-pitcher and one strike from the coach-pitcher is an out). Note: If the first pitch from the coach pitcher is a called ball, the batter will receive another pitch.

There will be no base on balls advancements to bases.

7. PLAYER-PITCHER that is playing the pitcher's position when a coach-pitcher is used shall stand with both feet even with or behind (not in front of) and within eight (8) feet of the pitcher's plate until the ball is hit.

8. COACH-PITCHER is the offensive coach who pitches to the players on his/her team and will pitch from a distance no closer than 30 feet from home plate. The coach-pitcher must make every effort to avoid interfering with any ball put into play either hit by a batter or thrown by a defensive player.

The coach-pitcher shall do no coaching while pitching other than to correct the batters stance. The penalty for a coach-pitcher assisting in coaching will be a warning the first offense and removal from the coach-pitcher position upon the second offense. Whether a coach-pitcher assisted in coaching is within the judgment of the umpire.

The coach-pitcher shall only field the ball when it is being thrown in order to put the ball back in play. If, in the judgment of the umpire, a coach-pitcher intentionally interfered with the play, the penalty shall be: The batter is out and the ball is dead. All base runners must return to the last base they legally occupied. If, in the judgment of the umpire, a coach-pitcher unintentionally interfered with the play the ball is ruled dead and the pitch replayed.

9. The pitching plate shall be thirty-five (35) feet from home plate. Base distance shall be sixty (60) feet.

SUBSTITUTIONS

10. The offensive team shall consist of all players in attendance. The defensive team may play with a minimum of eight (8) players and maximum of ten (10) players. Teams may play with eight (8) players with no penalty. In the case of injury or illness, the injured or ill player may miss her turn at bat with no penalty.

NOTE: All players must play twelve (12) consecutive outs or two consecutive innings (offense and defense). Any player may re-enter defensively at any time.

11. If less than nine players are in attendance for a game and the opposing team has more than ten (10) players, the team needing players should use those players on the opposing team who are, not presently playing defense, to field a team (up to ten players). These borrowed players will bat first (top of the line-up) for the team with whom they played defense. Should an additional player arrive after the start of a game, this player may be added at the top of the next inning. The borrowed player would return to her team and would be added to the bottom of the line-up.

12. Teams may borrow players from another RAYSA "B" league team within the same age group to prevent a possible forfeit due to lack of players. These borrowed players may play only two games for each "B" level team and must play in the outfield on defense and bat first (top of the line-up) on offense. Once a player plays in an older age group, that player may not return to the younger age group (i.e., a 10 year old may not play for a 10U team after playing for a 12U team).

EQUIPMENT

13. An eleven (11) inch "Incrediball" type softball with a vinyl or leather cover will be used for games. Any bat marked "OFFICIAL SOFTBALL", not more than 34" in length, may be used for league play.

Face guards and chinstraps are required on batting helmets. **Pitchers must wear face guard or helmets with face guards.**

GENERAL

14. Games will not be played during a thunderstorm or a downpour of rain. If a downpour comes in the middle of a game, it will or will not continue at the umpire's discretion, however, safety should always be the primary consideration.

15. A batter who releases a bat with such force, that, in the opinion of the umpire, could cause injury or could impair the defensive player from making a play, shall be called out for interference.

16. Base runners shall not leave the base before the pitched ball reaches home plate. Penalty: no pitch is declared and the runner shall be called out. Head first sliding is not allowed. Penalty: runner shall be called out. Feet first sliding is permitted. Bunting and stealing are not allowed.

17. The ball remains alive until the umpire calls "TIME" which should be done when the ball is held by a player in the infield area and, in the opinion of the umpire, all play has ceased. Each team may request a maximum of one offensive and one defensive time out per inning.

NOTE: Players / coaches can request "TIME"; only umpires can call "TIME".

18. The infield-fly rule does not apply. Batters may not advance to first base on a dropped third strike.

19. Until the pitcher/coach pitcher releases the ball, no defensive player (excluding the catcher) may be positioned closer to the batter than the pitchers plate and no more than five defensive players (excluding the catcher) may be inside the base lines.

20. Participants in the 10U-B league may not be or have been a member of travel softball program during the current school year.

21. No protests, including umpire judgments or decisions, will be accepted. If the rules are not being properly interpreted, contact your RAYSA representative. Head coaches will be held accountable for the sportsmanship and conduct of their players, fans, and coaching staff. Incident Reports filed with RAYSA representatives will be reviewed and, if applicable, appropriate sanctions implemented.

22. Coaches should notify the opposing team's coach at least a day in advance if a game is to be cancelled. The host team's coach is responsible for notifying the umpire assigner and field scheduler of the cancellation.

Jack Griffith
