

GVBL 2020-2021 Winter Recreational League

Refund Policy

Due to the extraordinary environment brought about by the Covid-19 pandemic, this 2020-2021 basketball season we would like to outline our refund policy prior to the start of play this season. GVBL's goal will be to play a complete season of basketball this 2020-2021 year. However, please realize that the season will be dictated by both the state of Pennsylvania and Chester County as it relates to multiple "Phases" outlined by the state (<https://www.governor.pa.gov/process-to-reopen-pennsylvania/>). If the governing authorities require that the facilities be shut down, we will plan to suspend the season until which time we are legally able to continue.

GVBL will not return any registration fees as it is our intention to complete the current season in the allowable timeframe dictated by the state and local authorities.
