15. INCLEMENT WEATHER/GAME CANCELLATION & GAME REPORTING SCORES:

In the event of inclement weather, the Tournament Director and or official representative(s) will have the authority to cancel the games. The SCSL fields can handle a great amount of rain without affecting the game play. **Our policy is to not cancel any games unless there is lightning or thunder.** If we receive extreme rain the referee commissioner will instruct the referees to stop the game. If that happened, the teams have to seek shelter at the parking lot in their parent's vehicle. They must remain there, once the weather is clear the games will resume immediately. Below are the game scenarios and how we approach them:

- Any game played more than 20 minutes, will be considered as a complete game, no additional time will be added regardless of fields availability. Score of the time played will be the final score of the game.
- Any game that played less than 20 minutes due to the weather will be considered as a complete game, no additional time will be added regardless of field availability. Score will be reported as tie 1-1
- Any game that did not play at all due to the weather will not be rescheduled regardless of field availability. Score will be reported as tie 0-0. The minimum (3) games guaranteed for participant will not apply. In the event of severe bad weather we will not guaranty any games.

This policy applies to all the games that are delayed due to injury that last more than the normal time. There will be no additional time unless it is a championship game and there is no other games played on that field afterward.

The tournament will do its best to schedule three games for each team. However; at the Tournament Director's discretion, the number of games is reduced, the tournament is not liable for any expenses and no refunds for the tournament application fees will be given. Under no circumstances whatsoever will the Virginia Youth Soccer Association, Inc., the Shenandoah County Soccer League, the SCSL Tournament Committee, or any of their official representatives be responsible for any expenses (including the Tournament entry fee) incurred by any team. This includes a situation whereby the Tournament or any game(s) is canceled in whole or part. It is solely up to the Tournament Committee, to decide if any refunds will be returned, due to partial or full cancellation of the tournament.
