Blue Springs Softball Association Player/Parent Contract

1. This contract is binding for the player's length of participation during this year's season.
2. This contract is legal and binding only after it is complete and on file with the league Board and before participation.
3. A birth certificate and proof of eligibility are required and must be provided by the player before participation may begin.
4. Players may not participate or compete on more than one team within the league or outside the league. (This includes any competition league.)
5. Absolutely no smoking or unsportsmanlike conduct: such as swearing or abusive language will be allowed. The penalty will be suspension from the league.
6. Every player will be given a team picture as part of the registration fees. Individual player pictures will be taken at the same time as team pictures, however, these pictures are in addition to the paid fees and the player will assume any additional costs. Pictures will normally be scheduled at the first part of the season. It is the responsibility of the team (defined as managers, coaches, players, and parents) to keep scheduled appointments. If a team and/or player does not keep the scheduled appointment, the league will be absolved from any and all obligation or financial responsibility for the additional cost of the \$25.00 sitting fee. This additional sitting fee will be paid to the league before the photographer will take any additional photographs.
7. The league will provide ASA insurance for the protection of the player and the league. This insurance is considered to be a supplemental insurance with a \$250.00 deductible, to be paid by the parent/guardian. The league is required by the City of Blue Springs & the Blue Springs R-IV School District to purchase liability insurance. For information about the insurance see the following webpage under "Individual Registration" www.bollingerasa.com.
8. The players, managers, coaches, and parents of a team will follow all league rules. A team may be forced to forfeit game(s) if; in the league's, or umpire's judgment a team, player, or parent disrupts the orderly flow of the game or flagrantly violates the rules and regulations of the league.
9. Players may stay on their previous year's summer team at the player's request as long as their age meets ASA guidelines, and as long as all league rules are followed. All other players who sign up will have their names put into a blind draw and everyone will play on whichever team draws their name. All players must play in their respective age groups. No girl may request to be placed on a specific team for any reason. The Board must vote on any exceptions to this each year.
10. All managers and coaches must be dues paying members, in good standing. Memberships will be revoked for violations.
11. Registration fees include membership of two adults in the household. Each member has voting rights at all general membership meetings.
12. The registration fee includes a sleeveless uniform shirt. All teams are required to wear league provided uniforms. (\$60 of the registration fee is non-refundable.)
13. All managers will enforce girls' shorts/pants to be "uniform" in color by team and to be furnished by each family or BSSA, if a hardship case exists.
14. The Board must approve all players and managers.
15. See the BSSA Blue Book for full listing of rules and regulations for participating in the Blue Springs Girls Softball Association. The Blue Book may be found on the BSSA web site at www.bsgsa.net.
16. If there are any errors, omissions or false claims on any part of the registration submitted to BSSA the registration is NOT VALID and must be properly resubmitted before the player may participate in any BSSA activity or function.
