Suggestions:

- Ask a parent to organize a snack list for the games
- Provide the parents with your name, phone number and email address
- Review with parents the proper way for the children to wear the flag belt
- Ask parents to provide an extra mouth guard for the coach’s bag. Place in zip lock bag with the child name for safe keeping. (This is good for Lombardi and Shula leagues)

- Coaches should consider keeping all the flags in the coach's bag – then they are never lost or forgotten (this is good for the Lombardi and Shula leagues)
- Bring name tags for the first day – many children do not have their names on their jerseys.
