Note: this is tentative – we have not been assigned a field by the Bloomington Parks Department yet.

WHO IS THIS FOR?

Male and Female Grades 7, 8, 9, and 10
(use their grade for this coming fall, 2019)

CONCEPT:

These clinics are for the purpose of providing more experience for our players. Not only will I be doing training sessions with the players, but we are going to try to set up some game scrimmages with Bloomington United, Richfield, and maybe Edina. We will explore the possibility of entering a tournament near the end of June if there is interest. This is also set up so that a player does not have to attend every session (unlike the commitment you have to make for traveling soccer). However, it is not worth it for you to miss too many sessions.

Please Note:

This is a new concept that will give our players some experience without the cost of traveling soccer. This is an idea that we may expand on in the future but we are trying to keep costs lower (no uniform fees, no league fees, etc.) but we will have to pay for the field rental and the tournament entry fee (if we decide to do that). To make this work, there must be at least 15 players that sign up and we are limiting the grades (contact me if your player is close to these grades and is interested)

SO WHAT IS THE COST?

The cost per player will be \$275

This includes 18 hours of instruction plus scrimmages that we set up plus the possibility of a tournament (if there is not enough interest in the tournament then there will be a small refund).
