

It is with a heavy heart that we regret to inform you that the 2020-21 Warren County Youth Basketball League season has been cancelled.

Recent meetings over the last week with KHSAA and Warren County Parks along with the Kentucky Governor's recent restrictions regarding indoor sports caused our board to have to reconsider prior plans for the season. We had a meeting this weekend and determined the best plan moving forward would be to cancel the season.

We do our very best to provide the young men in our league with a fun and **SAFE** environment. Based on rising COVID-19 virus numbers in the county, postponing of division start dates, and the likely restrictions we would have to abide by with regards to game play and attendance we had a majority vote that it would be best to cancel the season.

We thank you for your patience and understanding in these unprecedented times we are dealing with. We hope to move forward in the coming years and provide a fun and safe basketball league for the county.
